Blackwater tank extraction: pump
Wheel steering: electric
This Cranchi 47 Medtiterranee was after the construction, in storage by the shipyard, was registered in 2014, and launched in 2015, she is like new, spins well at sea, and has only 250 hours on the engines. She has great low maintenance size, and can easily be winter stored.
The engine room is immaculate and the accommodation is in mint condition. All bottom revisions done orderly. I was pleased to try her out for a spin. The pictures from the shipyard are from May 2021.
