Beschreibung

Very well-maintained luxury motor yacht with a warm, classic appearance. In 2024, the vessel underwent extensive renovations: the underwater hull was treated with new antifouling, the hull was repainted, all interior lighting was replaced with LED, and an Enteron 50 wastewater system was installed. Comfortable, fully equipped and ready-to-sail motor yacht with reliable technology, large tanks, ideal dimensions for France, ample living space, not subject to CVO regulations, and particularly suitable for permanent living and longer stays on board.
