"A Privilege to sail" - 50 feet of luxury and comfort for discerning owners. The quality of this shipyard with a well-deserved reputation is illustrated by the design and the choice of materials for the deck and interior fittings. The Privilege Series 5, the successor to the 515, differs primarily in the extended hull, a new layout in the cockpit and the compact, clever and ergonomic deck plan, which enables newcomers to actively set sail within a short time. This defines the two significant features of the Privilege Series 5, "ease of handling" and "build quality". This beautiful Privilege Series 5 was originally owned by a fastidious German owner who spared no expense in her upkeep but only used her for occasional holidays. Her current owners purchased her to undertake a circumnavigation and she has been carefully prepared for an around the world trip but a change of plan means she is now available for the fortunate next owner, in "turn-key-condition". EU VAT has been paid and so she is entitled to sail and stay anywhere in the EU. The shipyard, register and tax documents are complete, the same applies to the maintenance documents which are all up to date. Until her sale she is located in the Algarve, Portugal and is conveniently located to head south to Gran Canaria and across the Atlantic for a winter in the Caribbean. A rare opportunity with top-conditions.

An owner's version with a centrally located "master suite" with a double bed and an "en-suite" bathroom. She offers three other cabins, 1 single, 1 twin, 1 double, each with an "en-suite" bathroom. On the port, there is the fully equipped galley with high quality domestic appliances. On the starboard, the living and dining area with an electrically lower able salon table.
