Beschreibung

The Linssen Grand Sturdy 33.9 Sedan is a popular, high-quality steel motor yacht with an open cockpit and a level transition to the saloon, creating a spacious outdoor living area that flows seamlessly into the interior. Fitted with a brand-new Volvo Penta diesel engine. Thanks to its size and features such as a bow thruster and stern thruster, the vessel is easy to manoeuvre, often even by a single person. It is ideally suited to longer, multi-day trips on inland waterways, rivers and sheltered coastal waters throughout Europe. It can be viewed at our covered sales marina in Sneek.
