Beschreibung

Inspired by the 1920 designs of Dutch cruisers, renowned shipbuilder Van der Werff took that inspiration and built this 14 mtr Decksalon Cutter. With 300 years experience in building cargo vessels like “skutsjes or Fallaatser” it came only natural to the yard to go with that name. Both the pilothouse and deck salon dominate the layout, so very suitable for longer stays onboard including a large bathroom, owner- and guest cabin. Wide decks, large open cockpit, fly-bridge and deck area with easy access, double glazing and central heating wrap up this vintage style European canal cruising yacht.
