Allgemeiner Kommentar commentaires généraux general comments

The Bali 4.3 catamaran, designed by Xavier Fay and the Catana Group, delivers unparalleled living space with groundbreaking design. Boasting a unique retractable "garage door" which converts the saloon into a generously sized living space that can be opened or closed depending on the surrounding conditions. Revel in spacious cabins with island berths, a fully equipped galley, including a roomy US-style fridge. The front cockpit is a unique highlight, offering ample space for comfortable sailing and is the perfect place for a sundowner at the anchorage. This award-winning design promises exceptional comfort and luxury. Ideal for private or charter use, this Bali 4.3 is primed for the 2024 sailing season and ready for viewing at her current berth in Croatia. This Bali 4.3 (4 cabin version + 2 skipper cabins) is equipped with heating, air condition, barbecue, large fridge, dinghy, Raymarine electronics, 170m² Parasailor, electric winch and much more...! This catamaran has been in charter use from 2019 to 2023 and is continuously maintained. All wearing parts have been replaced and the catamaran is in mint condition. Since 2023, the Bali 4.3 has only been used privately and is waiting for new owners to take her out on her next sailing adventures.
