## Allgemeiner Kommentar commentaires généraux general comments

The very first Outremer 45 electric version for sale, incl. VAT, in virtually new condition, fully equipped according to Jimmi Cornell experience and expectations. The ideal ZERO EMISSION cruising catamaran. Delivered to its famous owner Jimmy CORNELL in September 2020, this new generation Outremer 45 benefits from the latest technology with electric propulsion by Oceanvolt. This is the first Outremer 45 new generation equipped with two Oceanvolt electric motors and regeneration system backed by two large banks of Lithium batteries. Based on the Outremer 4X state-of-the-art vision, with rotating carbon mast, Kevlar rigging, carbon bulkheads, carbon bimini, carbon tillers, full Hydranet set of sails, solar panels, air conditioning, this is the best equipped Outremer 45 ever built. Immediately available in immaculate condition. A unique safety feature is the emergency backup circuit based on a second autopilot a separate battery pack to supply this arrangement, B&G autopilot, compass, Triton display unit, and wireless wind sensor. Battery is charged by Sail-Gen Hydrogenerator. She is equipped for a comfortable and safe long distance world voyage with 100% autonomy.
