This luxurious Knysna 55-foot flybridge catamaran offers a 4-cabin layout and is exceptionally well equipped for long-distance cruising and upscale onboard living. Powered by twin 80 hp Yanmar engines, with generous tank capacities, she features high-performance Ullman sails, Sparcraft rigging, a generator, watermaker, and solar panels – ideal for extended autonomy. A complete Garmin navigation suite, Starlink internet, and a satellite phone ensure safe passage and seamless connectivity at sea. Onboard comfort is ensured with full air conditioning and heating, and a comprehensive galley featuring induction and gas cooktops, dishwasher, two refrigerators and much more. The interior is tastefully designed with a variety of LED lighting options, including downlights, mood lights, discreet accent lights, and underwater lights, providing the perfect ambiance for every space and occasion, complemented by high-quality finishes throughout. Exterior highlights include teak decking on the flybridge, cockpit, steps, and swim platforms, plus a premium dinghy for shore excursions. For water activities, the yacht offers gear such as diving equipment, water skis, sea scooter, and SUPs—perfect for both relaxed cruising and adventure. An outstanding catamaran for those who value quality, style, and top-level outfitting.
