Beschreibung

Lady P is one of the finest custom build yachts, Classification under ABS certified, with transatlantic range. Design by the naval architect Professor Ruggiero, and designer Mr. Sakiotis. She has a rigid steel hull with aluminum superstructure. The interior has been personally attended by the owners and hand crafted to the smallest detail. Cherry and Briarwood interior is complimented by the natural leather and silk. She has been designed and built to provide the highest possible comfort and pleasure while underway, at anchor or docked. Her Bullbow bow provides a smooth and vibration free cruising and her Zero speed stabilizers provide a hassle free and very comfortable times on anchor. You will

not be able to easily find another yacht of her size with the all the amenities and systems that this exquisite motor yacht provides.
