Motoryacht
Power, Second-hand yacht, Griechenland Athen € 250.000,-

Details

Year built: 2010 Launching: 0 Condition: good Length: 26,00 m Beam: 6,00 m m Draught: m Weight: 100000 kg

Material Hull: Steel Material Assembly: Steel

Drive:

Engine type: MAN Number of engines: 2 Fuel type: Diesel HP/kW: 500 / 368

Steering: Electric-hydraulic Fresh water tank: 5000 I Holding tank: 3000 I

Fuel: 4000 I Cabins: 7 Bunks: 13

Head room/wet lockers: 7

Ship's steering: Hydraulic steering

Equipment

Fixtures & Cabin Layout

Aft cabin, Bow cabin, Owner's cabin, Fly bridge, Guest cabin, Interior navigation station, Crew cabin, Wheel house, Salon, Teak swimming platform, Teak flybridge, Teak on walkway, Teak steps to flybridge, Teak bow, Teak cockpit Generally: Heavy displacement steel yachts are more stable than lighter vessels resulting in smoother ride and significantly more comfortable anchoring. The yacht has a significant advantage. She is just under 24 m waterline (lwl) which allows the holders of the most common Yachtmaster Offshore Certificates to captain this yacht. At the same time she has a hull length of 26 m and overall of 28 m offering a lot of space

Accommodation; full width master cabin plus four double guest cabin all with ensuite bath-rooms and aircondition. There is an extra double for the crew and a separate single cabin for the captain.

The White Liberty was originally built in 1992 by the commercial TORGEM Shipyard and rebuilt in 2005, 2010 and 2015. It offers a lot of space on four decks with a main salon, a formal dining room, a wheelhouse salon, one owner and four guest cabins plus separate crew - all ensuite. The extremely economical engines are an added plus with less than 75 l per hour consumption at cruising). The yacht has bow- and stern- thrusters, interfaced AIS to GPS plotter, autopilot, electric kobelt engine controls, two generators (one of which almost new), commercial type windlass, reliable German MAN engines etc.

LOW FUEL CONSUMPTION

- 5 DBLS ENSUITE PLUS CREW EXTRA
- POWERFUL BOW AND STERN THRUSTERS
- STATE OF THE ART ENGINE CONTROLS
- MODERN NAVIONICS
- CHARTPLOTTER, DSC, DEPTHSOUNDER
- AUTOPILOT, AIS etc.
- LOW HR GENERATOR (- NEW AIRCONDITION (2016)
- NEW ANTIFOULING (2017)
- NEW FRIDGES (3) 2017
- NEW CARPETS (2016)

Pantry

Extractor fan, Freezer, Cooler, Refrigerator, Compressor, Ceramic hob, Microwave with grill, Sink unit, Freezer, Stove

Technology

12V socket, 220V socket, Anchor, Anchor locker, Battery, Battery charger, Bilge pump automatically, Electric bilge pump, Mechanical bilge pump, Bow Windlass, Pressure water pump, Residual current circuit breaker (RCCB), Generator, Stern windlass, Joystick, Shore power 230V, Windshield wiper

Navigation

Autopilot, Echo sounder, Fishfinder, GPS, Compass, Radar, Rudder angle indicator, VHF radio, AIS activ, Plotter with GPS, Radar reflector

Safety

Fire extinguisher, Cap rail, navigation lights, Life raft, Life Ring, Life jacket, Guard rails, EPIRB, Bilge alarm, Engine alarm

Awnings & covers

Windshield wipers

Accessories

2. Refrigerator, Anchor chain, Swimming ladder, Swimming platform, Tender, Boat lift, Bow thruster, CD player, Davits, Deck shower, Pressure washer, Fender, Fender holder, Mooring line, Gangway, Stern shower, Stern door to bathing platform, Air condition, Environmental control system, Microcommander, Radio, Septic tank, 3-way valve, Antifouling, Stern thruster, Cockpit shower, Speaker, Cushions, Sunbeds
