Extra info:

Silver Heels sailing yacht is a unique main topsail schooner, built in America and designed by Murray Peterson. Build quality is exceptional, with her hull and interior in mahogany and her deck in teak.

A beautiful schooner offering five berths and generous space to spend time with family and friends. Strong and nimble and easy to manage alone.

Silver Heels is in perfect condition, her Ford Lehman engine has been rebuilt completely in 2018 and is like new.

Serviced by professionals and fully equipped for sailing, she is ready to cruise.
