## Beschreibung

This Koopmans 54 'Rock steady' was originally build at the Folmer yard in Rijs after a design of the Dutch well known designer Dick Koopmans Sr. She is very seaworthy, ready to explore the 7 seas. Also her heavy insulation, big fuel and water tanks and self supporting devices gives you the opportunity to sail wherever you want to go. The centreboard keel of this aluminum Koopmans 54 allows you to go places where other sailyachts owners only can dream off.
