Ready to sail anywhere in the world in comfort and safety Sailing yacht Hermes is your yacht! Designed by the famous naval architect Van de Stadt and built by the "masters" of Kompier Ship Yard in The Netherlands in 1993/1995, this high quality vessel can easily cross any destination from Tropics to South Pole. A complete and massive refit was done between 2011 and 2015. Just lightly used afterwards, the finishing touch took place in 2018 and since then she has been maintained to the highest level. Now she is ready for any next adventure. Viewing of this classic beauty is highly recommended!
