This strong, and fully refitted in 2020/2021, Dutch steel hull Kokkoter Vinkeveen, has a beautiful and comfortable layout. The large aft deck leads you through the bridge area, down to a large salon. A large master cabin aft and 3 guest cabins forward. The yacht has been through a very large refit in with new equipment and installations. All very neatly done, maintaining the spirit of the original design.

A beautiful vessel that definitely deserve a visit.
