Aluminium yacht P.Valk 30, build 1966 by the famous Valk yacht builders in Franeke, as show boat for the A'dam RAI exhibition. The boat is renowned for its excellent sailing behavior, fast but very stable because of its long keel. What started as a renovation in 2014 turned into a 95% rebuild in 2021 with modern high-quality interior and different sail plan for single handed sailing. The hull is PUR insulated. A beautiful classic lined yacht, compact in length, spacious luxurious teak interior, modern equipped. Check 'My Account' for a recap of the build report.
