This Swan 44 MK II, designed by German Frers, is a beautiful, but above all sporty sailing yacht. She has good sailing qualities, which are due, among other things, to her top and bottom line and her extensive range of sails. This Swan 44 MK II also has the necessary comfort, a teak interior and sleeping accommodation for up to 7 people. She is ready for family cruises, but you can also feel free to participate in a regatta. Also participation in e.g. the "ARC" is no problem for this Swan 44 MK II. We look forward to seeing this yacht at our office in Hindeloopen!
