This Cranchi 47 Mediterranee was after the construction, in storage by the shipyard, was registered in 2015, and launched in 2016, she is like semi new, spins well at sea, with only 394 hours on the engines. She has great low maintenance size, and can easily be winter stored.

The engine room is immaculate and the accommodation is in mint condition. All bottom revisions done orderly. I was pleased to try her out for a spin. A perfect option for a compact sports boat with high end accommodation amenities.

The picture of the hull is from March 2023.
