This very solid and charming Heesen 93 has been very well taken care of by its current owner. The boat went through a complete refit in 2004. The large aft deck leads to a spacious and very well distributed saloon, leading down to the well equipped accommodation area with a large Master cabin with a spacious bathroom and Jacuzzi. The galley is well distributed, and leads down to the 4 berth crew area. A very large fly deck leads down to mid deck bridge with a navigation table and a cozy sitting area. The engine room well maintained and very orderly. Stealth and comfort is key for this yacht.
