Level indicator (freshwater): Gauge
Blackwater tank (litre): polyethylene
Blackwater tank extraction: yes
Wheel steering: hydraulic
Inside helm position: in saloon
Flybridge helm position: hydraulic
More info on hull: Hull in good conditions

The Astondoa 43 GLX Fly is stylish, solidly constructed, and spacious with the molded-in staircase to the fly bridge and wide side decks. She gets a lot of her interior volume from the beam and the hull's freeboard, a reverse sheer line and raised foredeck. The 43 GLX FLY is a fast and sporty cruising motor yacht. The master stateroom in the bow has an en suite head on the port side forward of the galley. The guest stateroom on the starboard side opposite the galley has a private entrance to a head reached by a second door. Very little usage by her first owner.
