More info on paintwork: Whole boat has just been polished.

We invite you to have a look at one of the better designed sport fishing vessels on the market.

Great working space in the cockpit for serious fishing, but also with more than enough comfort for family and/or friends to do some entertaining without fishing.

This very clean and fine example of the Rodman 900 Flybridge comes with 2 economical Volvo diesels with low engine hours and a brand new radar/plotter. Accommodates 4 persons in 2 separate cabins. She is well maintained and very easy to handle under power and relaxed stable at anchorage.
