Glacier 48 Cabin is a flagman model in the family of premium aluminum class motor yachts designed by Guido de Groot. The sharp, sporty and state-of-the-art design makes it unique among the others. Yet comfort-focused, it is supported by excellent performance characteristics that are driven by twin Volvo Penta IPS-800 of 600 hp each. Equipped with a high-end interior in materials along with an outstanding number of inclusive features, Glacier 48 Cabin is a top of the range yacht that meets the highest expectations.
