Level indicator (blackwater): Yes
Greywater tank (litre): 2 X 1500 steel
Level indicator (greywater): Yes

This spectacular strong steel yacht, build by the famous Fairmile / Berwick shipyard, had a very huge refit from 2019-2021, including a complete engine overhaul, a brand new engine room, a hull overhaul, a new management system, brand new interior and much more. The yacht has a very impressive fly deck area and a very comfortable main deck area. The spacious salon leads towards the galley and bridge area. The stairs between the salon and the galley lead down to the lower deck, where you will find 3 beautiful in-suite cabins, all neatly finished to fine standards. Truly worth a visit.
