Northern Lights genset 10kw  
Air Conditioning  
Raymarine electronics

### Navigation

## Description

This Tayana 58 (2000) is a custom built vessel, designed by Pieter Beeldsnijer, and built by the well respected Ta Yang Shipyard, Taiwan to the highest standards overseen by the meticulous owner. She is the three cabin layout with a huge master aft and a large VIP fwd and a twin bunk cabin fwd on the port side.

The long galley extends down the strb side from the saloon to the aft cabin offering loads of bench space. The engine room access has walk in head room and has great access from both sides. The center cockpit with hard dodger and full zip on enclosure making her very safe in bad conditions. The mast has in boom furling on the mainsail and push button Reckman furlers for the genoa and staysail.

The Yanmar 160hp engine and genset were installed brand new in 2015. She is a highly optioned yacht in excellent condition ready to go.
