More info on paintwork: Awlgrip hull / deck painted in 2021

Extra info: hull/deck/superstructure 5083-H116 aluminum

Built by Kanter Yachts in Canada, designed by Chuck Paine. Very well aluminum built yacht. Excellent sailing performance, very easy to handle with the hydraulic winches, sail-furling & anchor system. She has great sailing stability and a shallow draft for a yacht of this size, allowing access to anchorages. Well maintained, a new powerful engine (2017) yacht fully repainted (2021). Internally the yacht is spacious with luxurious timber and leather fit-out. Currently located in South Sicily, if you would like more information or would like to view her, please do not hesitate to contact us.
