ASTRA is a super strong expedition vessel that can go anywhere in the world, regardless of the weather. Astra was originally built in class with DNV, rated Ice Class Super 1A and was later upgraded significantly (E+1 mio.) in 2021 to exceed performance. She completed the circumnavigation in the southern hemisphere from 2021-2022. Please see: [www.mv-astra.com](http://www.mv-astra.com) The layout of Astra is both very practical and comfortable and provides an easy access between all areas and decks. Big ship technology compactly presented. Whistle clean and turn key ready.
