Freshwater tank (litre): 4400

Extra info: 2018: replacement of all seawalves

Witsen & Vis was one of the pioneering steel hull shipyards to export to the US in recent times, and one of the original members of the Feadship association. M/Y Ra has a luxurious layout with 2 deck levels, yet built to please the demanding seafarer. The large aft deck leads to the spacious salon and owner's cabin on main deck. The large VIP and 2 guest cabins are located on lower deck. The interior and the hull + superstructure went through a very large refit in 2018, leaving the interior as new, and the layout elegantly improved. She is strong and robust, yet enchanting and elegant.
