Özellikler

Baltic 87' Shaya is a remarkable fast high performance yacht, she won the Superyacht Cup once and still does above 14 knots with ease. Perfect yacht for long distant cruising with 5 guest cabins and one crew cabin, each with ensuite bathroom and shower. She was fitted with every conceivable appliance for the ultimate luxury cruising.

Her special 'James Bond' features make her even more interesting: hydraulichardtop, lifting throat and the 'drive in' dinghy garage, where an ingenious foldingdeck/transom arrangement enables a water jet dinghy to be driven right up into the back of the boat.

Now she is looking for a new owner. Awaiting your inspection in Mallorca.
