This custom built 70 foot trawler was designed by renowned Spanish naval architect Marcelo Penna and built in Spain. She was designed to offer generous live aboard comfort for long range cruising for up to 8 people plus 2 crew and she has a very spacious interior.

Her twin 480hp Volvo Penta engines offer economic cruising as well as reliability and safety.

She is CE 'A' rated and is fully built in aluminium.

Curious Then please contact De Valk Zeeland to make an appointment for viewing this trawler in the South of France near the Spanish border.
