The M.S. Compagnon is a true Dutch classic of Dutch manufacture. The ship was built in 1963 and was put into service as an executive vessel at the time. This ship is available for multiple uses such as habitation or as a pleasure craft. It can also be used to provide day tours due to her wide equipment, such as a real classic ship's bar and multiple seats all over the ship. With her twin engines and bow thruster, the vessel is easy to maneuver. Come see her at our sales marina in Loosdrecht.
