Mulder Favourite Superieur 54 "Martini" is a round-bilged motor yacht with steel hull, superstructure and a wooden wheelhouse. She was built in 1991 at the famous Mulder ship yard.

With her three cabins, two of which with their own separate shower and toilet area and the third used as a crew cabin, makes this yacht very suitable for longer stay on board.

Furthermore, she is equipped with two Volvo Penta diesel engines, bowthruster, generator, well-maintained and ready to make new adventures with her new owner!

This fine vintage Dutch lady can be seen on appointment in Greece.
