Tiller: yes

The Etap 30 I is an excellent little "pocket-yacht" with very good accommodations below decks, ample stowage space and easy to handle in many circumstances. Deep and safe cockpit with ample sized lazarette. On deck she is fitted with a self tacking jib and one-line reef system. No need to go forward to the mast for reefing. The Etap 30I is unsinkable so suitable for all waters and areas. Stored inside a shed every winter by current owner.
