More info on paintwork: 2020

The "Frederika" is a super beautiful ex- fishing ship which has been converted to a yacht in 2013 and suitable for long stay on board. Has a very cozy teak interior, large kitchen, 2 generators, central kabola heating, new navigation equipment, washer/ dryer, and plenty of storage space. If you are curious and want to view the ship, you can make an appointment, because the ship is at the owner's home.
