Linssen stands for quality, reliability, design and comfort. This Grand Sturdy 430AC Twin version also adds excellent sailing and maneuvering characteristics. In short, a wonderful motor yacht to sail on, for long onboard stays and so practical in every respect. She further excels in the large amount of living and storage space on board and from the

salon you have a beautiful overview of the surroundings. The aft deck with ditto view is easily accessible and the sidedecks with side entry are nice and wide. Just a very nice gentleman's motor yacht in all aspects.
