Beschreibung

This model 92 of the Mangusta with Kamewa jet propulsion is the top model of the shipyard. The spacious layout is big enough for operating a 5-star service while being able to anchor in shallow waters. The beautiful aft deck leads into the very large open salon.
Below deck you will find the 4 in suite cabins with the finest touch in materials. The well equipped crew area and galley lies in the stern, next to the engine room.
The yacht is being maintained by a very experienced captain and crew, and you will find that the yacht is very well maintained to high standards above and below deck.
