Extra info: Steering wheel covers

The Bavaria 46 Cruiser dates from the time when things were going well in yacht building and in particular with Bavaria. It is clearly a J & J Design, recognizable by the flowing lines. The Bavaria 46 is suitable for a large group with its 4 cabins. Thanks to the furling sails (including Gennaker), the boat can be sailed with a two-man crew. Very complete ship with, among other things, a Volvo 75 HP, bow thruster, heating, solar panels, spacious galley and 2.05 m headroom! Contact our office in Sint Annaland quickly to make a viewing appointment on board this Bavaria 46

Cruiser in Greece.
