More info on paintwork: original gelcoat

This Fairline Squadron 55 is the latest and rare MK3 version with the much improved flybridge layout and proper flybridge stairs.

She sleeps 6 in 3 comfortable cabins and has a spacious saloon with separate dinette.

Fitted with the Volvo Penta D12 700hp diesel engines she delivers exciting performance as well.

The 55 is a quintessential Fairline Squadron and as popular pre-owned as they were when new and this is a very well kept example with many recent improvements..

The MK3 version does not come up for sale very often so don't miss this opportunity to make her your own!
