The Dehler 36 CWS is known for its good sailing characteristics, a joy to handle and to sail. She is easy to sail by both a small crew or family because of the central electric winch and self tacking jib. Both fast and comfortable, she is built at the well-known Dehler yard, designed by E.G. vd Stadt. Below decks her large U-shaped settee is ideal. Two large cabins provide for sleeping comfort. Large enough head compartment with ample storage space throughout. 'Vita d'Oro' is in a good condition and well taken care of. She is being sold by her third owner. She can be seen in Monnickendam.
