Beschreibung

For sale is the high-performance custom Baltic Yachts 78 TURCONERI ex ANTONIA from 2008. TURCONERI combines traditional Baltic styling below with a sleek outward appearance and modern management technology. Her clean, uncomplicated lines by judel/vrolijk & co engineering ensure contemporary style and performance. She is easy to sail and features a goalpost-style structure to keep the single point mainsheet out of the cockpit.

TURCONERI benefits from Baltic's advanced carbon composite build methods for her hull and deck which reduces her weight to only ca. 40 tonnes.

If the varnished teak interior is typical of the traditional Baltic style, then the electronic control systems, which represented the very latest technology at the time of her build, are an excellent example of Baltic's innovative approach to new ideas and ability to manage complex electronic systems. The navigation electronics have just been updated with 3x Raymarine Axiom+ 12" Chartplotters.

With all the boat's operations monitored and controlled via a large touch screen providing visual and audio feedback, the yacht has proved particularly easy to sail and manage.

TURCONERI features 4 guest cabins two of which are twin cabins, one VIP with queensize bed and the Owners Cabin in the bow with two queensize beds. All cabins with en suite heads. Two crew cabins are located in the aft.

HIGHLIGHTS:

- Custom Baltic 78
- Carbon Composite Construction (ca. 40 t displacement)
- 8 guests in 4 cabins
- Swim Platform with Garage for 3.5 m Tender
- Mainsheet on "Targa arch"
- Hull and Deck repainted 2019
