Extra info: Aluminium bottom and frame, wooden side planking above the waterline

This woodler 28 is built with all the experience and craft that Jachtwerf De Jong has gained since 1653 is the ultimate combination of luxury, performance, modernity and timelessness. The design made by Vripack, with an aluminium bottom and frames, is finished with the finest woods. This results in a ship that is very robust, almost maintenance-free underwater body, but still has the look and soul of a wooden ship. This Woodler 28 has won the prestigious Hiswa boat of the year award. A ship to sail away with. Come and view this beautiful tender at our sales office.
