This unique designed high performance yacht by Filo Yacht is the realization of luxury design and power. The opulent design together with the powerful MTU and Arneson drive tells you that nothing has been spared. The aft deck can unfold, converting into a massive bathing area. You will find a Jacuzzi in the bow in front of the impressive main deck area. Down below, you will find the spacious and purely designed accommodation area with a large galley and 3 in-suite cabins fitted with large windows giving you natural light and keeping you close to the sea in very comfortable surroundings.
