Boat Details

BRIGADIER has been owned by the East Anglian Sailing Trust for a number of years but has not been used for some time. The topsides, deck and interior have been refurbished over the last 12 months by the Trust's maintenance team, including replacement of deteriorated sections of the cockpit sole and forward buoyancy tank. The hull has also been fitted out for racing. The boat comes with the benefit of an almost unused galvanised trailer – fitted with a ball hitch and capable of road use but un-braked – a good set of sails, including spinnaker (not necessarily with the correct sail number), all running and standing rigging, summer cockpit cover and all-over winter cover.
