## Ausstattungen

## Beschreibung

The **Jeanneau Sun Odyssey 440** is a spacious, modern design by Philippe Briand with luxurious accommodation and easily handled performance available for spring 2024 delivery to your specification. The powerful balanced hull combines a long waterline length and hard chine for speed and comfort at sea and the comfortable interior offers a choice of four layouts, two different keels and interior woodwork with a winning combination of luxury and practicality at sea. A true offshore cruiser with a wealth of innovative detail and stunning good looks. Part exchange, low rate marine finance and VAT free export for qualifying customers are all available.

Call Stephen Carter at our Suffolk Office for current availability and price list - 01473 659681

### Accommodation

Four layouts are available in either two, three or four cabin arrangements to suit every taste and requirement. There are various options for the beautifully made interior joinery, but all offer a light and airy feel together with the practicality of laminate flooring in either light or dark Oak. There is LED lighting throughout the cabins with lots of stowage and a proper chart table. The galley is fully equipped and easy to use whilst underway and has plenty of work surface and storage for crockery and utensils. There's even space for wine stowage below the soleboards. There is full standing headroom everywhere with a multitude of hatches and portlights for ventilation and light. The cabin sole is all at the same level, no steps to negotiate when walking through the boat.

### Mechanical Systems

Fitted with a Yanmar 45hp inboard marine diesel engine, there is plenty of power for any situation and economical cruising when the wind dies.

### Electrical Systems

A 12 volt high capacity battery bank comes as standard, together with a full 240 volt shore power system. A 40 amp battery charger is fitted and of course there is an immersion heater for the hot water system.

### Spars & Sails

The high aspect rig gives excellent performance that is easily handled with a number of options to suit every sailor, it is versatile and well balanced on all points of sailing. Deck stepped fractional rig with double spreaders.

Discontinuous stainless steel standing rigging with textile backstay. Boom (lowered gooseneck) with rod kicker.

Headsail furling system. Asymmetrical lazy bag with lazy jacks. 2 x Harken primary and 2 x Harken coachroof winches. German main sheet system led aft to helmsman. In-mast mainsail furling is a standard option. Slab reefing mainsail Furling Genoa

#### Deck Equipment
