Beschreibung

For sale is a Hanse 400 EPOXY from the first owner built in 2006

Hanse 400 e ZIG ZAG was built for a German owner with short-handed performance day-sailing in mind. Therefore, a self-tacking track as well as Genoa Tracks have been installed. The mainsail can be trimmed via a traveller. For downwind performance the "Gennaker Package" has been added including Gennaker in Snuffer and Furling Code-Zero. In 2015 a set of North Sails 3Di sails has been added. For easy maneuvering an electric Bow Thruster has been installed as well as an Autopilot with remote control. In 2017 the navigation electronics have been updated with B&G/Simrad touch screen plotters and Precision 9 Compass. A complete Teak Deck gives the boat a luxurios appearance. Below deck ZIG ZAG offers two cabins with a large cockpit locker on starboard aft. The interior is elegant Cherry Style with blue upholstery and classic-striped floor. Due to the usage the boat has seen little use and no cruising, the condition can be considered as "very good". Low engine hours (below 500 h) and professional maintenance. 1,98 m L-Shape Keel. First German owner and VAT paid.

Full specification and further up-to-date pictures available on request.

Please don't hesitat to contact us for any further questions or to arrange a viewing in Palma de Mallorca.
