The Beneteau Oceanis 411 is one of the longest running models and available in various layouts. Mariposa has the forward double cabin with en-suite head version making the best use of space and ideal for family sailing. The saloon and gallery area are light and airy with ample seating for dining. The aft cockpit is spacious for her size with a large bathing platform, ideal for access and swimming. Her engine has been serviced annually and kept on the hardstand at the end of her sailing season. She was last lifted and antifouled in August 2023.
