Motortyp: 1 x Yanmar 4JHE
Motoranzahl: 1
Kraftstoffart: diesel
PS/kW: 45 / 33
Betriebsstunden: 5010
Kraftstoff: 190 l
WC/Nasszelle: 0

Ausstattungen

Beschreibung

Exclusive at MiB Yacht Services: 1989 Voyage 12.50 prepared for long-distance cruising.

A classic from the Jeanneau shipyard, the Voyage 12.50 is a reliable, robust, and spacious boat. This unit is self-sufficient and well-equipped for onboard living in the Caribbean.
This sailboat was prepared for an extended family voyage (two adults, two children) in 2020-2022. It sailed in 2021-2022 in Brittany as part of its preparation and undertook long passages from Brittany to the Caribbean in August 2022. A reassuring sailboat in rough weather and very secure. It has large volumes, beautiful brightness, and numerous storage spaces. It has 3 water tanks for a total of 490 liters and 650 W of solar panels.

Among other features:

Complete engine overhaul between 2021 and 2022 with regular maintenance (details available on request), last serviced in 2023.
Standing rigging completely replaced in February 2020.
Lower shrouds and forestay replaced in July 2023.
All through-hulls and valves replaced in 2020.
Wheel steering system completely overhauled in April 2022 (replacement of defective bearings, lubrication).
Antifouling in April 2021: 3 layers of hard matrix.
Antifouling in June 2022: 2 layers of hard matrix.

Feel free to contact us for more information and photos.
