Beschreibung

Rare Listing: Stunning Sparkman & Stephens 38 Design, the Legendary Naval Architecture Firm!

This boat has undergone a complete refit, thanks to the retired owner's passion from the French Navy: it has been overhauled with a professional spirit and standards. Onboard, you'll find a level of craftsmanship that has nothing to do with past or present production boats.

The entire boat is close to new with rare options (Generator, Vetus 55 HP engine with 130 hours, sails in like-new condition, 1200W windlass for an 11m boat, bulkhead boarding) and numerous custom-made parts.

It's an atypical sailboat in the "Old Navy" style that will captivate a unique boat enthusiast looking to sail far with a certain spirit of navigation. It is located in the Hyères region.

For any details or clarification, I would be delighted to introduce you to this fascinating boat: Patrick +33.7.87.42.94.95 / patrick.audrain@mib-yacht.com

All our boats are on www.mib-yacht.com

As a reminder: Sparkman & Stephens and its initials S&S have left a mark on the history of naval design. Founded in 1929 by Olin Stephens and Drake Sparkman, the firm produced plans for many of the most innovative sailboats of their generations.

Olin Stephens has crafted a classic-looking boat here with all the quality and simplicity of a polyester vessel.

Accessories
