Powered by two Yamaha 350 hp engines, the Vésuvius 35 achieves high speeds with a strong and stable hull, making it an ideal boat for sea outings or family excursions.

The spacious and well-designed interior includes comfortable seating and practical storage spaces. The main forward cabin features a King Size bed and an en-suite bathroom (WC and Shower), complemented by ample storage.

The aft cabin, tucked under the Sun Deck and accessible through a gas-strut-equipped panel, has two single berths that could be converted into a King Size double berth.

The boat is equipped with an advanced navigation system and all the amenities necessary to fully enjoy your sea-going experience.
