Exclusive at MiB: Wauquiez Centurion 47 GTE Racing from 1987.

A safe and highly performing sailboat, this Centurion 47, number 24 in the series, is a rare find in the market. Racing version with racing hardware and a draft of 2.60m. This boat is exceptionally well-rigged with an original mast of 19.30m. It has been equipped for offshore sailing and underwent a revision for its Atlantic crossing in 2019. It was notably owned by Nicolas Hénard (former FFV executive and Olympic sailing medalist). Original purchase papers are available. The import duty has been paid, and the berth at Marina du Marin in Martinique can be retained after purchase.
