Beschreibung

Grand Bank 36 Europa

Explore the exclusivity and refinement of the Grand Banks 36 Europa for sale, offering a unique opportunity to acquire this exceptional vessel with **a berth in the prestigious Old Port of Marseille (berth at CNTL)**. In remarkable condition, dating back to 1997.

The Grand Banks, Europa 36 model, single-cabin King size version, features a custom interior layout made for the first owner. With a beautiful finish and impeccable condition, every detail reflects the meticulous attention given to its regular maintenance.

Manufactured in 1997 with a fiberglass hull, the boat has an XXL custom-made aft deck from 2008. Its impressive dimensions, with a length of 11.27 meters and a maximum width of 3.90 meters, emphasize its imposing and elegant character.

Equipped with two Caterpillar turbo diesel engines type 2116 TA – IN.B, developing 2x 275 HP, this boat stands out for its excellent maintenance condition. Additional features, such as a bow thruster, a Lofrans TIGRES 1500w windlass, a watermaker (2014), a generator, solar panels, a battery charger, and many more, ensure optimal comfort at sea.

The boat was carefully renovated after grounding in Corsica in June 2022, with work carried out by qualified professionals from the SARL COLANTONIO MARINE SERVICES shipyard in Ajaccio and the ENTRETIEN MARINE POLYESTER shipyard.

Appraised in July 2023 at €200,000 (report available upon request), it is now offered at €159,000, with negotiation possible. Becoming a member of CNTL and mooring this gem in the Old Port of Marseille adds exceptional value to this offer. Currently ideally located at Quai Rive Neuve, next to the Théâtre de la Criée, facing the Radisson Blu hotel, the boat awaits its next owner for new maritime adventures filled with luxury and prestige.
