Kraftstoffart: diesel
PS/kW: 80 / 59
Betriebsstunden: 250
Kraftstoff: 600 l
WC/Nasszelle: 0

Ausstattungen

Beschreibung

Exclusive at MiB! This magnificent 1991 Amel Super Maramu completely refitted.

A reliable sailboat with a well-established reputation from the shipyard. This unit, number 43 in the series, has undergone a complete refit in the last two years with invoices totaling €150,000. All major components have been reviewed, including the engine, rigging, sails, energy systems, electronics, upholstery, and various equipment. The boat has had only two owners; the first used it for summer vacations from the port of Antibes until 2021. The second owners acquired and prepared it for a world tour but have decided to sell due to a change in plans. An expertise report from January 2023 is available upon request, and antifouling was done in January 2024.

Located in the Caribbean and available now.
Feel free to contact us for more information.
